## RESIDENT CORNER

**“No Knock” Solicitation.** The Township recognized the need to license and regulate peddlers and solicitors who are conducting business within the Township. The Township also sought to prevent peddlers and solicitors from accessing homes of residents that do not wish to be disturbed through **Ordinance 2019-20**. *Chapter 374* of the Township Code amended the license fee for peddlers and solicitors in Eastampton, and established a “No-Knock” list for residents. If you would like to be placed on the “No Knock Registry” please complete the No Knock Application, found on the Municipal Clerk’s page at [Peddler/Solicitor License | Eastampton New Jersey](#).

**Please Keep Grass Clippings Out of the Street.** Residents and landscapers are reminded to keep grass clippings out of the street and the Township’s storm drains. Blowing grass and other yard debris into the sidewalk, street, or storm drainage system is a violation of the Township’s littering and storm water ordinances.

Grass clippings, leaves, and other lawn debris can clog storm drains, resulting in street and private property flooding. Also, storm drains flow directly to local waterways untreated. Grass clippings add unnecessary nutrients, which help feed harmful algal blooms. In addition to environmental harm, you may be creating a safety hazard. When blown into the street, clippings can create a slippery and dangerous surface for traveling motorcyclists and bicyclists.

Using a mulching mower puts clippings back into the turf and keeps the nutrients where they belong. Should you choose to use a discharging mower, please be sure to point the blower toward your property (away from the street) to prevent clippings from leaving the lawn. When finished mowing, please be sure to use a blower, broom, or rake to clean up any grass clippings or debris that have inadvertently made their way into the street, sidewalk, or storm drain. We appreciate your cooperation.
