This workshop is a great way for individuals to find their creative side, regardless of their performing experience. One of our experienced instructors will teach the students the basics of improv and how to play some of our favorite ComedySportz games. They’ll each you the basics: agreement (“yes, and-ing”), active listening, commitment, working as a team, taking risks, and being present in the moment, and then apply those skills to some favorite games like Try That On For Size, Dr. Know It All, and Advice Panel. You’ll learn how to improvise in an inclusive and welcoming environment, and have lots of fun doing it. No two classes will ever be the same!
