HOLLYVILLE PARK

Eastampton Township applied for and was awarded a grant in the amount of \$90,000.00 through the Burlington County Municipal Park Development Program. The Township included matching funds of \$90,000 in its bond ordinance in 2022. Residents were invited to complete a survey regarding Hollyville Park improvements, which were provided to our Township Engineer. This assisted the Engineer in drafting a concept plan that includes new playground equipment, additional parking and other park improvements. On January 25, 2023 the Public Works Department removed the existing playground equipment and installed temporary fencing. The Township will apply for another grant to secure additional funding, and any updates will be posted in future newsletters.

EASTAMPTON TOWNSHIP VOLUNTEER CORNER

Volunteers Needed! After a brief hiatus following the start of the COVID-19 pandemic, we have been working to bring back some of our longstanding community events. In 2023, we are hoping to host our annual community day, bonfire, and tree lighting, but we need you! The volunteer members of our Recreation Advisory Committee have always helped us plan, coordinate, and staff these fun family events, and the Township Council is currently looking to fill a number of vacancies on that Committee. Volunteering a few hours to assist with one or more event will go a long way in our little community. If this sounds like the right fit for you, please consider submitting a Citizen Leadership Form Application, which can be found under the "Forms & Permits" section of our website.
