*Mayor Rob Apgar, Deputy Mayor Dominic Santillo,
Council Member Eddie Besko, Council Member Jay Springer
and Council Member Anthony Zeno*

December 2020

Eastampton Township News is generally published on a monthly basis to provide residents with pertinent information and reminders related to Eastampton Township and the surrounding area. The Township views this as another important means of keeping residents informed about our community.

Observed Holiday

Municipal offices will be closed on Thursday, December 24th and Friday, December 25th for the Christmas Holiday. Offices will reopen on Monday, December 28th at 8:30 a.m. Just a reminder, the **Municipal Offices are closed to the public**, and all Township business will be done through phone calls, emails and use of the Drop Box and lockbox. Please contact any member of staff for assistance. **Mayor Apgar, Township Council and everyone at Eastampton Township wish you and your family a safe, healthy and happy holiday season!**

Holiday Trash Schedule. All areas normally collected on Thursday, December 24th (Eastampton Farms and Carriage Park) or Friday, December 25th (Venue at Smithville Greene) will be collected on **Monday, December 28, 2020.**

Township Council Meeting will be held on **Monday, December 21st at 7:00 pm.** **Land Use Planning Board Meeting** will be held on **Thursday, December 10th at 7:30 pm.**

PLEASE NOTE: Meetings will be held virtually/telephonically until further notice. Log on information will be posted on our website along with the Agendas.

Holiday Toy Drive. The Burlington County Sheriff's Department is collecting toys for their Holiday Toy Drive. A collection box is located on the 1st floor at the Manor House for donations of new, unwrapped toys that will be distributed to local charities this Holiday Season. Although the building is closed to the public we are always here for our community. If you would like to stop by please call 609-267-5723 x200 or x201 and we will gladly come out to collect anything you would like to drop off. Thank you, and Happy Holidays!

Register to Receive All Eastampton Township Announcements. The Township will continue to notify residents of pertinent information through our website, Facebook page and email notification system. To register for the email notification system, "control and click" on the following:

Attention Residents: Drivers are urged to use extra caution and watch for white-tailed deer as deer mating season begins. Peak mating season for deer in New Jersey runs from late October throughout November and into mid-December in all areas of the state. "Deer are involved in thousands of collisions with motor vehicles in New Jersey each year, with the highest number occurring during the fall mating season," Division of Fish and Wildlife Director Dave

Golden said. "We urge all motorists to be especially alert to the possibility of deer suddenly darting onto roadways and to be aware of things they can do to reduce the risk of a collision and possible serious injury to themselves or their passengers."

Being extra vigilant for deer will become even more important when daylight saving time ends at 2 a.m. on Sunday, Nov. 3. Most commutes will then align with the periods when deer are most active, and lighting conditions may be the most difficult for driving.

To report a deer carcass on an interstate or state highway, call 1-800-POTHOLE (1-800-768-4653) or go to the New Jersey Department of Transportation's website to fill out an online form. For roads within Eastampton Township please call the Municipal offices at 609-267-5723 x200 or the Eastampton Police Dept. at 609-261-1717.

Dog Licensing

Residents Are Reminded That All Dogs over 6 Months of Age Are Required to be Licensed Each Year. Dog licenses are valid for the current calendar year, and expire annually on December 31. We will begin next year's licensing on January 4, 2021. The cost for the month of January is \$10.00 for a neutered/spayed dog and \$13.00 for a non-neutered/spayed dog. A \$2.00 per month additional fee will be assessed for each dog registered after January 31. Please use the Drop Box or lockbox to submit and pick up your dog license, as the Manor House may still be closed to the Public in January. You can also mail your dog license application and payment **along with a self-addressed stamped envelope to receive your license by mail.**

Animal Control personnel are permitted to inspect current licenses for all dogs residing within the Township. Licensing information may be obtained by calling (609) 267-5723 x201.

Please note that the **rabies vaccination must be valid through November 1, 2021 by NJ State Law** to obtain the dog license. It is recommended to review your dog's rabies vaccination expiration date now to avoid any delays in your 2021 licensing.

Eastampton Township Leaf Collection

Information. Leaf collection begins the first week of October and will be collected through January, 2021. Residents please rake leaves to the curb for collection. Leaves should be placed in the grass strip between the curb and sidewalk, not in the

street. Leaves should not be placed near fire hydrants, sign posts, portable basketball hoops, or telephone poles. Leaves must be free of all trash, sticks, branches, vines, rocks, dirt, and debris. **Mixed material will not be collected.** Additional information including your areas scheduled collection week can be found by visiting the Township website at www.eastampton.com or by contacting the Public Works Department at (609) 267-5723 x210.

Resident Reminder: We need everyone's cooperation to help keep Eastampton neat and tidy. **Please adhere to the schedule of your area for leaf collection.** Leaves are to be placed out **only the week before your scheduled pickup day.** It is especially important that leaves are not placed at the curb many days before scheduled pick up days, as rain makes the leaves wet and difficult to collect, and presents a safety hazard to Eastampton staff and other residents.

Brush Collection: During the months of December through March brush will not be collected. Do not put any brush out for collection during these winter months, or you will receive a letter to remove, followed by a Notice of Violation. If you have brush that needs disposal of you may take it to the Burlington County Resource Recovery Complex located at 2000 Burlington Columbus Rd. Columbus, NJ 08022. You may visit them at [Facilities | Burlington County, NJ - Official Website](#)

SIGN UP

Burlington County Recycling Program. Get the latest recycling updates on shredding events, schedule changes due to inclement weather and more with the free **Recycle Coach** smartphone application. The application is available on iTunes and Google Play app stores for Burlington County residents.

Household Battery Recycling. Do Not Recycle Alkaline Batteries, such as AA, C, D, or 9 Volt. Put them in your household trash. Rechargeable batteries come in the same sizes and are used for laptops and toys. Rechargeable batteries include Nickel Cadmium (Ni-Cd), Lithium Ion (Li-Ion) and Small Sealed Lead Acid (SSLA/Pb). Recycle these at Home Depot, Lowes, Staples and other locations listed at www.Call2Recycle.org. ****Never put batteries in your recycling! Batteries have caused fires at recycling centers!***

Attention Residents: The company that manufacturers **Renewliner** is deliberately misleading consumers. Their packaging says it can be put in curbside recycling. **This is absolutely not true in New Jersey,** and many residents are calling the Burlington County Recycling Center asking why their recycling was not collected. Please **do not** place any of the below packaging in your recycling or your cart may be rejected on your recycling collection day.

LIAR! LIAR! PANTS 🤔 ON FIRE!

Renewliner packaging

CANNOT BE RECYCLED

at the curb!

Recycle Holiday Lights

Keep the Holidays "Green!"

Recycle non-working strands of Christmas tree and outdoor holiday lights at our permanent electronics dropoff at the County's Resource Recovery Complex.

Please place strands of lights in CLEAR BAGS OR CARDBOARD BOXES when delivering them to the Complex.
