ESCROW AGREEMENT

THIS AGREEMENT entered into this 7th day of March, 2022, by and between Emigdio Dionson,
having its principal offices at 2 Manchester Road, Eastampton, NJ 08060
(hereinafter referred to as the "Applicant") and the Township of Eastampton, with its principal
offices located within the Manor House at 12 Manor House Court, Eastampton, NJ 08060
(hereinafter referred to as the "Township").

WITNESSETH

WHEREAS, the Applicant has filed an application for development including plans and other documents seeking review approval of its proposal with respect to Block 901 Lot 25; and

WHEREAS, the Township, pursuant to the Municipal Land Use Act, has a certain amount of days to review said plans to determine whether said plans are complete and whether the application should be approved or denied; and

WHEREAS, the Municipal Land Use Act authorizes the Township to charge reasonable fees to provide for the cost of professional review of plans, applications and documents and to require that an estimate of said fees be deposited in escrow; and

WHEREAS, the Township Code establishes the amount of the initial escrow deposit and the way said funds are to be deposited and expended.

NOW THEREFORE, in consideration of mutual covenants, agreements and considerations contained herein, the Township and Applicant hereby agree as follows:

1. Escrow Deposit. The applicant shall deposit in cash in accordance with § 460-58 of the Eastampton Township Code, as it may from time to time be supplemented and amended, an amount equal to the fee(s) which the Board anticipates may be paid to Professionals engaged to review the Development Application, plans and other documents submitted with respect to an application for development, and agrees to pay an initial deposit and such other additional deposits as may be required to offset these review costs by the Board.

Professional review includes, but is not limited to, engineer, planner, attorney, traffic consultant, administrative officer and any other consultants appointed by the Board in question. The amount of interest, if any, on monies so deposited shall be distributed between the applicant and the municipality as required by N.J.S.A. 40:55D-53. 1 with the municipality receiving the highest percentage permitted by law.

In the event that an application is denied, certified incomplete, or withdrawn by the applicant, and the application is subsequently resubmitted or a second application is submitted by the same applicant for the same use and on the same site as the original application within sixty (60) days

of the denial, incomplete certification or withdrawal, then a new escrow amount must be submitted with such application in accordance with the above schedules.

Should an application be refilled after the application has been denied without prejudice, no new application fee need be submitted. Upon receipt of a formal, written request, the Board may recommend to the Township Council that the unencumbered balance of the original escrow be refunded to the applicant or credited toward the escrow amount required for any subsequent application or resubmitted application.

2. Increase or Decrease. Sums not utilized in the review of process or other costs of administration shall be returned to the applicant. If additional sums should be deemed necessary, the applicant shall be notified of the required additional amount and shall add said sum to the escrow within fourteen (14) days of the date of said notices hereinafter stipulated.

Prior to the Board taking action on an application, the professionals responsible for reviewing the application shall inform the Township within ten (10) days of a request of the estimated amount of potential remaining plan review charges. The applicant, if necessary, shall deposit said additional funds within the aforementioned fourteen (14) day period.

3. Effect of Insufficient Funds. The Board shall not be required to process the application or take further action on the application until all required additional deposits are made by the applicant. The failure to deposit the initial or additional funds shall be grounds for denial of the application. In the event the Board approves an application, the obligation to pay for professional plan review fees by depositing the funds in escrow shall be a condition of the approval granted by the Board.

If the escrow funds are depleted after the application, the applicant shall pay additional funds upon demand within the aforementioned fourteen (14) day period. In the event that additional deposits requested by the Board remain unpaid for a period of sixty (60) days, this development application shall be deemed to be withdrawn and shall be dismissed without prejudice by the Board.

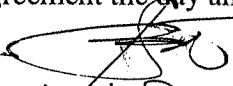

4. Municipal Liability. The parties agree that the Township assumes no liability for the administration of the escrow fund and the applicant hereby releases the Township from any and all claims with respect to the administration of the fund. The Township liability is expressly limited to accounting for the disbursement of the funds.

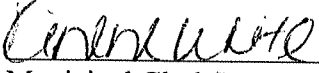

5. Owner/Applicant Liability. In the event the owner is not the applicant, the owner, by execution of this Agreement, consents to all the provisions contained herein and agrees to be liable for the payment of any fee or fund upon demand of the Township in accordance with the terms and conditions of this Agreement.

6. Entire Agreement. The parties agree that this Agreement constitutes the entire Agreement.

7. Municipal Regulations. The parties agree that all municipal regulations set forth in the Township are incorporated by reference hereto. In the event that any regulation of the Municipality is in conflict with the terms and conditions of this Agreement, the particulars of the regulations shall control.

IN WITNESS WHEREOF, the Township has caused this Agreement to be signed on its behalf and its seal to be fixed the day and year first above written and the applicant has executed this Agreement the day and year first above written in the appropriate manner.

ENTITLED “APPEALS AND APPLICATIONS” TO SPECIFY THE REQUIREMENTS
FOR AN APPLICATION OR APPEAL**

WHEREAS, the Governing Body of the Township of Eastampton has determined it is in the public interest to specify the requirements for an application or appeal to the Township’s Land Use Planning Board

NOW THEREFORE BE IT ORDAINED by the Governing Body of the Township of Eastampton, County of Burlington and State of New Jersey as follows:

SECTION I. Chapter 47 of the Township Code entitled “Land Use Planning Board,” at Section 47-16 entitled “Appeals and applications” shall be deleted and replaced with the following:

§ 47-16. Appeals and applications.

A. The Administrative Officer of the Board shall inform the applicant/appellant of the steps to be taken to initiate proceedings and of the regular meetings dates of the Board.

B. The applicant/appellant shall obtain all necessary forms from the Administrative Officer of the Land Use Planning Board.

- C. Appeals to the Land Use Planning Board may be taken by any interested party affected by any decision of a Township official based on or made in the enforcement of Chapter 540, Zoning, or Official Map. Each appeal shall be taken within 20 days by filing a notice of appeal with the official from whom the appeal was taken, together with three copies of such notice with the Administrative Officer of the Land Use Planning Board. Such notice of appeal shall specify the grounds for the appeal. The official from whom the appeal is taken shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed from was taken.

- G. At the time of filing the appeal or application, the applicant shall also file all relevant plot plans, maps or other papers.
- H. An appeal shall stay the decision appealed from, unless the official from whose decision the appeal is taken certifies to the Land Use Planning Board, after the notice of appeal shall have been filed with him, that, by reason of facts stated in the certificate, a stay would, in his opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed otherwise than by an order of the Superior Court of New Jersey upon notice to the official from whom the appeal is taken and on good cause shown.
- I. The Land Use Planning Board may reverse or affirm, wholly or partly, or modify the action, order, requirement, decision, interpretation or determination appealed from and, to that end, have all the powers of the official from whom the appeal is taken.
